*Dear Colleagues*

*It gives me immense pleasure to extend a warm welcome to you all to the Parichay – Indian Society of Periodontology Conference 2025, hosted by Mahe Dental College at the serene and picturesque town of Mahe.*

*As we gather under the umbrella of the ISP, this conference aims to foster academic excellence, professional collaboration, and a shared vision for advancing periodontal science and practice. The theme "Parichay" resonates deeply with our mission to build connections, share knowledge, and strengthen our commitment to oral health.*

*Our organizing team has meticulously curated a program featuring distinguished speakers, thought-provoking workshops, and opportunities for interactive discussions. Alongside these academic pursuits, we hope you take time to soak in the unique charm of Mahe, with its blend of culture, history, and natural beauty.*

*I encourage each of you to actively engage, share your insights, and make the most of this gathering. Together, let us inspire innovation, embrace learning, and contribute to the growth of periodontology in our country and beyond.*
