## Keynote Speaker

### Dr. (Prof) Viral Patel (MDS PERIODONTICS)

Completed B.D.S. in the year 1997 and did his M.D.S. in periodontia and implantology to quench his never ending thirst of learning. He attained F.I.C.D.J. ( fellow of international congress of oral implantologists, USA) and also did diploma in laser dentistry from RWTH international academy and IALD, Aachen University, Germany in the year 2009. Currently he holds the post of Professor & Head and post graduate Guide in Dept of Periodontia, Implantology & Laser Dentistry, College Of Dental Sciences & Research Center, Ahmedabad & President of Gujarat State Dental Council.

He is awarded prestigious Gujarat state dental research award 2010 for developing indigenous bone graft material "Bioceramic Hydroxyapatite". He is also in editorial panel of the international journal of Indian academy of laser dentistry international journal of oral health by international society of preventive and community dentistry. He is in the private practice since 14 years focusing exclusively periodontics, implantology & laser dentistry.

### Dr. Neeraj Deshpande (MDS PERIODONTICS)

Completed B.D.S. in the year 2001 and did his M.D.S. in periodontia and implantology in the year 2004 from Manipal Academy of Higher Education. Adding extra feathers in his cap he also did masters programme in business administration in hospital management and post Graduate Diploma in Medical Law & Ethics.

Currently he is working as Professor in Department of Periodontics, K. M. SHAH Dental College & Hospital - Vadodara. He has total 28 publications in his credit in various national and international journals. He was the former member of academic council of D.M.I.M.S. university.

He was the former member of core committee, regional center for medical education (Medical Council of India), DMIMSU, Wardha.

He is life time member of Indian Society of periodontology, Indian academy of osseointegration, Indian society of oral implantology.

He was also the co-editor of journal of DMIMS university (indexed). He has given several guest lectures on various topics related to periodontics at many state and national level conferences.
