Drs. Abhijit Chakraborty, Anil Melath, R. M. Baiju, Baljeet Singh, M. M. Dayakar, C. D. Dwarkanath, Girish Bhutada, D. Gopalakrishnan, Gopinath V, H. S. Grover, J. Johnson Raja, Mangesh Phadnaik, Manish Khatri, Nympha Pandit, Dilip G. Pol, Ranganath V, P. L. Ravishankar, Sanil P George, J. Selvakumar, Shalu Chandana, Shipra Gupta, Siby Chennankara, Swarna Chakrapani, Tushar Shrirao, Vaibhav Karemore, Vikas Dev, Vikas Jindal, Vikram Blaggana,

Vishakha Grover, Vivek Govila, Biju Thomas, Ashish Jain, Santhosh Sreedhar, Mohd. Faizuddin, and Lalit Mathur.

Executive Committee Meetings

Three Executive Committee meetings were held from time to time to discuss the progress of the society and important decisions were taken to run the society. The 1st EC meeting was held on 4th December 2016 at Bangalore. 2nd EC meeting was held on 25th March 2017 at Manali along with the PG convention. The 3rd EC meeting was held on 20th August 2017 at Pune. The office thanks Drs A. R. Pradeep and Virendrakumar S. C. for arranging the 1st EC meeting at Bangalore, Dr. Vikas Jindal and other members from Manali for arranging the 2nd EC meeting during PG Convention, Dr. D. Gopalakrishnan for hosting the 3rd EC meeting at Pune. The 4th EC meeting is scheduled to be held on 24th November 2017 at Kolkata.

ISP Membership

After the AGM (2016) held at Nagpur, as on 1st October 2017 there were 95 applications received for the Life membership and 394 applications for the Associate membership. All the papers were in order.

ISP Listerine Merit Awards

The ISP merit award supported by Listerine is being continued this year too. The award is being given to the student who has scored the highest marks in the subject of Periodontology at the Final BDS University Examination in the year 2016 (Regular batch) from all the recognized Dental Colleges in the country.

This year also there has been a good response from the colleges and record 175 colleges have sent entries. Also, a one-time scholarship of Rs. 15,000/-, Rs. 10,000/- and Rs. 5000/- respectively will be given to the top three amongst the toppers. ISP congratulates all the award winners.

ISP – Listerine Lecture Series.

ISP has collaborated again this year with Listerine and is conducting a Lecture series in 30 Dental Colleges across the country. The lecture has been aimed at the clinical level undergraduate students and educating them the importance of biofilm and mechanisms of prevention. The lecture is being delivered by the ISP members in their respective colleges and in some cases in other/neighbouring college. The Head office thanks all the members/Faculty members for their efforts and also Dr. Tushar Shirao for co-ordinating with the colleges and ISP across the country.

The Head office congratulates Dr. Mangesh Phadnaik, the Essay convenor for conducting the Essay Competition. The judges for the competition were Drs. R. M. Zade, Pramod Marawar and Pradeep Chitnis. The ISP Head Office expresses it profound gratitude towards the judges for rendering their services and valuable time.

Undergraduate Conference

The ISP has planned to organise the Perio Fiesta the 2 days under graduate conference at Indira Gandhi Institute of Dental Sciences, Pondicherry on 3rd and 4th November 2017.

The conference is likely to be attended by over 1000 delegates and will be a good opportunity to sensitize the undergraduates regarding Periodontics as a speciality in their careers. Different competitions including poster presentation, short film, scientific papers, quiz etc will be arranged on the topics related to Periodontology for the UG students.

Training of Teachers Program

The Training of Teachers program for the Life members of the Indian Society of Periodontology was conducted by the faculty members of Medical Education Department from Manipal University; Dr. Sudhakar Nayak, Director of Medical Education and Dr. K. Ramanarayan, Ex-Vice Chancellor, Manipal University who were the faculty this year also.

The 1st program was conducted at SCB Govt Dental College, Cuttack from 19th – 21st May, 2017. Dr. Subhash Chandra Raj was the coordinator for the event.

The 2nd Training of Teachers program was conducted at DAV Dental College, Yamunanagar from 16th – 18th June 2017. Co-ordinator for the program was Dr. Nympha Pandit.

The program was attended by more than 50 life members each and well appreciated by all the participants. The faculty lauded the ISP for taking initiative and commitment in imparting professional training to its members. The Head office congratulates the members who have made use of this opportunity for better teaching and thanks to Dr. Subhash Chandra Raj and Dr. Nympha Pandit for their support for conducting the program.

Professional Enrichment Program

To promote the importance of Periodontics as a specialty to general practitioners Professional Enrichment Programs are conducted.

There will be 20 Professional Enrichment Programs to be conducted by ISP in 2017. This year the programme will be supported by Oral B. The programme will be conducted by any of the Dental colleges, ISP Study groups in collaboration with the IDA Local branches at respective places.

The general practitioners have applauded the move by the ISP in the previous years for having taken the initiative to educate them on the periodontal aspects of total patient care.

Parichay

An Orientation program for the 1st year PG students was organized by the Indian Society of Periodontology. The first program was conducted on 3rd – 4th Aug 2017 at Meenakshi Ammal Dental College, Chennai and the second program is planned on 11th – 12th October 2017 at Jaipur Dental College, Jaipur.

The Indian Society of Periodontology compliments the efforts taken by Dr. Jaideep Mahendra and Dr. Praveen Kudva and their team for conducting the program. There was an overwhelming response from the students with more than 120 registrations. The program went on for 2 days and eminent speakers spoke on various topics: Basic approach to postgraduate learning and consideration, Data mining, Etiquette of scientific reading, The art of presenting a seminar, Journal club presentation, Clinical training and record keeping, Dissertation - an overview, Postgraduate synopsis: the long and short of it, Statistics in periodontal research, and Clinical photography were the topics covered in the program.

Sameeksha

The society conducted the Rapid revision program aimed at the Postgraduate students who are appearing for the exam. The 3-day program was conducted at Bangalore on 11th - 13th January 2017 and at Udaipur on 23rd - 25th January 2017 and was conducted at Govt. Dental College, Bangalore and Pacific Dental College, Udaipur. The programs were well received by the postgraduate students. The program covered various important topics

and lectures were given by renowned faculty. The registrations were over 135 PG students.

The Head office thanks and congratulates Drs. A. R. Pradeep and N. Ravikiran Gowda for successfully conducting excellent programs respectively at both the places.

Integrate

Integrate – the theme based National symposium was conducted at D. Y. Patil Dental College, Pune on 19th – 20th August 2017. The symposium speakers included Drs. Abhay Kolte, Girish Baykod, Johnson Raja, Sana Farishta, Amit Benjamin and D. Gopalakrishnan. A live surgical demonstration was given by Drs Abhay Kolte and Tushar Shrirao on the “Sub epithelial connective tissue grafts.” A new addition of Perception was done this time by the organisers where Drs. A. R. Pradeep, Col. M. Panwar, Nihal Devkar, Rashmi Hedge and Sharath Shetty presented interesting cases for the participants.

The programs received good response with more than 150 delegates registering at Pune. The Head office thanks Dr. D. Gopalakrishnan and the organizing team for successful program.

ISP Colloquium

The 4th ISP Colloquium was conducted at Chandigarh on 9th and 10th September 2017, and Nagpur on 23rd and 24th September 2017. The Head office thanks Dr. Ashish Jain, & Dr. Mangesh Phadnaik and their team for hosting the program where more than 150 delegates were present to listen to the speakers.

Colloquium program will also be organised at Bangalore on 13th and 14th November 2017. The speakers will be deliberating on various

topics. The office wishes Dr. AR Pradeep and his team for the success of the program.

1st August - Oral Hygiene Day

The Indian Society of Periodontology observes 1st of August as oral hygiene day to commemorate the birth anniversary of Dr. G B Shankwalkar, the doyen of Periodontics in India. This year a uniform activity was planned to be conducted at 40 Dental Colleges wherein 2 lectures one on “**Modern day approaches in oral hygiene**” and the second on “**Periodontics beyond prophylaxis**” were organized for the interns in the respective colleges. This activity was in collaboration with Oral B.

Apart from this more than 100 Dental Colleges across the country have participated with lot of enthusiasm and also other professional dental organizations have participated and have spread the message of oral hygiene to the general public.

The winners of the Oral Hygiene day celebration competition in various categories are

Category I: Best Dental College

I	Shared jointly by Govt Dental College & Hospital Mumbai and Oxford Dental College & Hospital, Bangalore.
II	Bapuji Dental College, Davangere
III	Madha Dental College & Hospital Chennai

Category II: Best Dental Professional Group

I	Indian Dental Association West Bengal State Branch
II	Indian Dental Association Coastal Malabar Branch
III	Indian Dental Association MP State Branch

Category III: Best Voluntary Organization

I	Rotary Club of Payyanur Payyanur
----------	-------------------------------------

II	Platform for Women Entrepreneurs, Manipal
-----------	---

The Head office congratulates all the members, members of other Professional Dental Organizations and Voluntary Organizations for celebrating the Oral Hygiene Day in a massive way and requests them to continue the same every year.

Best ISP Study Groups

ISP Study groups all over have been involved in conducting various activities throughout the year. Reports of the study groups were evaluated by the Awards committee.

The reports of the study groups also were evaluated by the awards committee. After the evaluation it was decided that the Best study group was

I	ISP Maharashtra Study Group, Mumbai.
----------	--------------------------------------

Journal of Indian Society of Periodontology

The Dr. Balaji Manohar took charge as the new Editor of JISP and was provided training by Dr. Ashish Nichani on how to function and operate the journal website after the 1st EC Meeting held at Bangalore in the month of December 2016. Dr. Balaji worked upon the system but since there was no issue published till the month of March, it was discussed at the 2nd EC Meeting held at Manali. Dr. Balaji Manohar assured the house that the two issues of the journal will come out by the month of May 2017. However, there was no progress in this regard and so in the 3rd EC Meeting held at Pune in the month of August 2017, it was decided to provide last opportunity of 15 days to him for bringing out the pending journal issues, failing which the charge of the journal will be transferred to Dr. Ashish Kumar. On 15th September 2017, Dr. Ashish Kumar was

given the responsibility of the journal and he has started working on it. Hopefully the pending issues will be cleared in due course of time.

New Award

A new award has been decided to be started from next year which will be named as “**Late Dr. Manish Kolhe Award for Best Paper in Implant Dentistry.**” The award has been instituted by Dr. Anjali Kolhe in memory of her husband who was a life member of our society, for which she has donated an amount of Rs. 1,00,000/- to the society. The award will be presented every year at the inaugural ceremony of the National Conference of ISP.

Head Office

It has been a really a big task of running the office this year with so many programs being conducted. This has been possible because of the support and participation from you all.

I thank our President Dr. A. R. Pradeep and all the Office bearers of the ISP for all their support and guidance from time to time. All the EC members are also to be thanked for their help, advice and guidance.

I thank all my Departmental colleagues and post graduate students for their active help throughout the year. They have toiled a lot in completing the tasks in a time bound manner and have always been there to help me in my hour of need.

Above all I thank the members of the society for their good wishes and standing by me without which moving ahead would have been difficult.

ISPecially yours,

Dr. Abhay Kolte
Secretary, ISP
