## ISP COLLOQUIUM

The excellent platform of Colloquium provided under the aegis of Indian Society of Periodontology promotes scientific and educational activities towards advancement. This year ISP Colloquium Gurugram 2018 will bring together the best of periodontists for deliberations on advances in the field of Periodontics. This forum will offer up to date information, current concepts and research activities at the advancing front of Periodontology. The Colloquium is a wonderful opportunity for strengthening the network amongst the perio fraternity and allowing intellectual stimulation among all the attendees.
