Secretariat

Chair of Head of Department, Periodontics

OVERVIEW

Greetings dear colleagues and friends,
The Perio-Connect ISP – UG Convention 2026 is an undergraduate convention organized by the Department of Periodontology, ITS Dental College, Greater Noida, under the aegis of the Indian Society of Periodontology (ISP), Study Group, Delhi-NCR, scheduled for Friday, 24th July 2026.

Exclusively conceptualized for undergraduate students and interns, the convention is centered around the sensitization of interns towards Periodontics at a critical stage of their dental careers. Standing at the threshold of clinical practice, interns will be exposed to the diverse roles of a Periodontist – as a Systematic Healer, Researcher, Surgeon, Implantologist, and Innovator – broadening their perspective on the specialty's vast scope and relevance. Through expert lectures, E-Poster Presentations, and Table Clinics spanning themes of contemporary periodontics interdisciplinary approaches, biomaterials, regenerative innovations, and digitalization, participants will gain meaningful clinical insight and scientific exposure.

Perio-Connect 2026 is designed to ignite curiosity, build confidence, and inspire the next generation of dental professionals to recognize and embrace the transformative potential of Periodontics.

SCIENTIFIC SCHEDULE

08:15 AM - Onwards

Registration

08:30 AM - 10:15 AM
