Dear Sir/Madam,

RE: INDIAN SOCIETY OF PERIODONTOLOGY MERIT AWARD

Greetings from Indian Society of Periodontology (ISP).

We take pleasure in informing you that ISP has pioneered ISP MERIT AWARD to encourage academic excellence in students.

As you are aware, the Indian Society of Periodontology (ISP) is a non-profit association of Periodontists of India formed in 1975 with the primary aim of promoting and enhancing the knowledge and science of Periodontology in India. Among its many activities, the ISP Merit Award for students who top in the subject of Periodontology in the final BDS examination is very popular and has been in existence for more than 25 years.

The topper of your college in the subject of Periodontology in the final BDS examination will be honoured with a certificate.

We seek your cooperation in spreading awareness of ISP Merit Award in your college and encourage academic excellence among students in the subject of Periodontology. As part of this initiative, we are looking forward to receive the following information from you.

1. Submission of the name of the topper in Periodontology from the Regular batch during year 2024 along with a copy of the attested mark sheet **by 30th August 2025**.
2. Complete postal contact details including Pincode, mobile number and email id of the qualifying student.

In order to facilitate smooth co-ordination, Dr. Rameshwari Singhal, will be available to you for receiving the details and any help besides direct access to the undersigned.
