About the PROGRAM

Integrate is an annual National Laser and Implant event organised by ISP in four corners of the nation. The current edition is being conducted under the aegis of ISP Study Group Delhi NCR and will enlighten about the "Newer Perspectives in Laser and Implantology". Currently Lasers and Implants are becoming the mainstay of dentistry but their practice involves a through understanding of the science and problems associated with them. A galaxy of the top speakers will deliberate on interesting topics in relation to use of Lasers and Implants in dentistry & make it possible for all.
